Commissary Ridge Defenders

Petition to Cease Northern Route of Gateway West Project

ATTN: HUNTING, FISHING, CAMPING ENTHUSIASTS AND LOCAL RESIDENTS

Petition summary and background	The Gateway West Project has proposed a route of transmission lines through Northern Commissary Ridge. This proposed **route will interfere with hunting, fishing, and outdoor activities as well as destroying pristine country. <u>The power line will be larger than any other line currently in Wyoming, with towers approx. 200 feet tall! It is only the first of "five" lines slated to follow the same route.</u>**
Action petitioned for	We, the undersigned, are concerned citizens who urge our leaders to act now and avoid the Northern route utilizing one of the two existing corridors.
